Legal Hotline Services

Toll free telephone access to attorneys for general legal advice and consultation.

PARTICIPATING ATTORNEYS

When you use a Participating Attorney for a covered service, the plan pays for all of the attorney's time up to the plan maximum; there are no copayments or deductibles. This approach is designed to eliminate the financial barrier that keeps many people from seeking the services of an attorney. TLPP provides you access to attorneys throughout the State of Texas. As a member, the TLPP Attorney Finder is provided to you at www.tlpp.org.

NON-PARTICIPATING ATTORNEYS

If you use an attorney who is not a Participating Attorney, coverage is available to you on an 'indemnity' basis; you will be partially reimbursed for the costs of covered legal services up to a specified dollar amount.
